- Both at once! A huge lion crushes out of the bush near them.

PASSAGE

Tourism is the type of business. Both developed and underdeveloped countries use this business as a source of income. These countries have tourist attractions such as wild animals, high mountains, attractive beaches, rivers and lakes. Tourists spend money on food, accommodation, transport and many other things. In this way, a country which is visited by many tourists can make a lot of money. Tanzania is one of the countries which receives a lot of tourists every year.
