Notes about the source paper

Items with missing information or printing errors are explained in their solutions. A model response is an example, rather than a prescribed official answer.

Listening and grammar

1. What did the Princess like doing? (A walk, B pick, C pick flowers and watch birds, D walk alone, E fight)

Step 1: The included listening script on page 4 directly states these evening activities.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C. Picking flowers and watching birds.

2. Who captured the Princess? (A brave man, B bad men, C poor boy, D group of men, E king)

Step 1: The last sentence of the script uses this description.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: D. A group of men.

3. When did the story take place? (A once, B long time, C once upon a time, D during Covid-19, E unknown)

Step 1: The script opens with this traditional story phrase, giving no exact date.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C. Once upon a time.

4. Where was the palace garden? (A near post office, B close to forest, C in forest, D inside palace, E above water)

Step 1: The script explicitly locates the garden near the forest.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B. Close to the forest.

5. How long did she stay in the forest? (A until morning, B until, C until dark, D all night, E did not go)

Step 1: The script says she stayed until it became dark.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C. Until dark.

6. Which structure makes a past simple sentence? (A N/p+mv, B have+mv, C S+mv-s, D S+will/shall+V+O, E mv in past+O)

Step 1: A complete affirmative sentence needs a subject and a finite past verb; the printed alternatives do not state the full rule clearly.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: Required complete structure: subject + past-tense main verb + object/complement. E indicates the intended past verb but omits the subject.

7. Does giraffe ___ only vegetation? (A ate, B eats, C eaten, D feeds, E fed)

Step 1: Does must be followed by the base verb eat or feed on; all printed verb forms are unsuitable.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: No correct option. Corrected: Does a giraffe eat only vegetation?

8. The children ___ played since yesterday. (A played, B plays, C has, D play, E have)

Step 1: A plural subject takes have before the past participle played.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: E. Have.

9. My nephew comes home late. Which pronoun replaces my nephew? (A he, B she, C herself, D itself, E they)

Step 1: Nephew is the male family term, so he is intended.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. He.

10. I prefer eating bananas ___ rice. (A and, B at, C with, D for, E to)

Step 1: Prefer X to Y compares preferences; with would instead mean eating the foods together.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: E. To, for a comparison.

11. Mr. Mtango comes to school ___ motorcycle. (A with, B into, C on, D by, E at)

Step 1: Use by before a means of transport without an article.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: D. By.

12. Simba played ___ African sports. (A against, B with, C by, D at, E along)

Step 1: Against identifies the opposing team.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. Against is intended; with is grammatical in a shared-play sense.

Section Summary: Listen to the supplied teacher text and identify the exact detail asked for. Check spelling and sentence punctuation; missing scripts are explicitly identified.

Grammar and vocabulary

13. ___ Mainda ___ Kamtoni finished the assignment. (A neither/nor, B either/or, C neither/or, D either/or, E neither/either)

Step 1: Both pairs are correct conjunctions; no context states whether neither or one of them finished.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. Neither...nor, or B/D. either...or, depending on intended meaning.

14. They will ___ to Mtwara. (A went, B gone, C going, D go, E run)

Step 1: Will takes a base verb; go expresses travel generally.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: D. Go (intended); E. run is also grammatical.

15. He was making noise ___ the teacher was teaching. (A and, B as, C when, D while, E during)

Step 1: While clearly expresses simultaneous ongoing actions.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: D. While is intended; as and when can also join these actions.

16. I have been here ___ a long period. (A since, B behind, C to, D of, E for)

Step 1: For introduces duration; since introduces a starting point.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: E. For.

17. I saw a dog ___ I was on my way home. (A while, B on, C when, D in, E to)

Step 1: Both conjunctions can connect the sighting with the journey.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. While or C. when.

18. ___ you work hard, you will receive gifts. (A if, B unless, C although, D in spite of, E though)

Step 1: If introduces the positive condition for the reward.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. If.

19. She ___ to swim every Friday. (A love, B loves, C loved, D is loving)

Step 1: The third-person present form is loves; past loved would need a past context.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B. Loves, for a current habit.

20. An elephant is ___ than a lion. (A big, B biggest, C large, D bigger, E too big)

Step 1: Than takes the comparative bigger.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: D. Bigger.

21. I saw her pen ___ the chair. (A on, B at, C by, D above [printed above], E under)

Step 1: No picture or location clue is supplied, so a preposition cannot be prescribed uniquely.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: No unique answer: on, by, above or under can describe different positions.

22. Cornell ___ to jail. (A has been taken, B have been taken, C is, D in, E will)

Step 1: Cornell is singular; has been taken is a complete passive verb phrase.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. Has been taken.

23. They ___ fly Singapore next Friday night. (A go, B shall, C use, D should, E can)

Step 1: Next Friday supports future intention, but it does not rule out advice or ability.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B. Shall is the intended future auxiliary; should/can are also grammatical with other meanings. Corrected: fly to Singapore.

24. ___ she works fast, she will not finish. (A if, B unless, C since, D for, E should)

Step 1: Unless means if she does not; the source also needs works instead of work.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B. Unless (intended warning).

25. Hour hand is just before 8; minute hand is at 10. What time is it? (A seven minutes to ten, B 7:10, C 8:50, D ten minutes to seven, E ten minutes to eight)

Step 1: At 10 the minute hand shows 50 minutes; the approaching hour is 8.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: E. Ten minutes to eight (7:50).

26. Ally would come ___ he had permission. (A unless, B if, C but, D because, E although)

Step 1: Would plus if and past tense expresses a hypothetical condition.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B. If, for the intended condition.

27. I came here ___ to see Juma. (A because, B in ordered to, C in order, D in order that, E in order to)

Step 1: To is already printed after the blank, so in order makes in order to without doubling to.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C. In order.

28. If we ___ a yacht, we would sail the Indian Ocean. (A have, B had, C has, D haven't, E hasn't)

Step 1: A hypothetical conditional uses if + past and would + base verb.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B. Had.

29. Give the opposite of above. (A below, B blown, C under, D front, E up)

Step 1: Above and below are the standard opposite pair; under has a related lower-position meaning.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. Below (standard paired opposite).

30. What means help? (A assist, B hard, C aids, D service, E add)

Step 1: Assist is the matching base-form synonym.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A. Assist.

31. That pond is the ___ in the area. (A shallow, B shallower, C shallowest, D shallowed, E shallowing)

Step 1: Use the superlative for comparison with all ponds in the area.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C. Shallowest.

32. The kindergarten pupils will ___ soon. (A graduation, B graduate, C graduated, D party, E ceremony)

Step 1: Will takes a base verb; graduate means complete a course.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B. Graduate (intended completion).

33. What does your mother's daughter call your mother? (A stepmother, B guardian, C mother, D aunt, E grandmother)

Step 1: The woman is the daughter's mother too.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C. Mother.

Section Summary: Use sentence meaning, subject agreement and time clues to choose the word or verb form. Apply the specific rule explained for each task and note ambiguous choices.

Composition and comprehension

34. The bottle is ___ the table. I left it there this morning. (A over, B in, C under, D besides, E on)

Step 1: On describes resting on the tabletop; no printed clue establishes its location.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: E. On is likely intended; over/under are also possible without a picture.

35. A crowd is a group of ___. (A stars, B clouds, C people, D army, E pupils)

Step 1: Crowd generally names many people gathered together.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C. People (general answer); a crowd of pupils is also possible.

36. Order with A-E: Moses advised his sister to use the library to improve her grades.

Step 1: Finish with the advice after discussing the library.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: E.

37. Order: The library has many books arranged on shelves.

Step 1: This detail follows the library definition.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: D.

38. Order: Aziza said a library is a big room where books are kept for readers.

Step 1: Give the definition after introducing their conversation.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: C.

39. Order: One day Aziza and Moses talked about the school library.

Step 1: The conversation follows introduction of the pupils.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: B.

40. Order: Moses and Aziza are Standard Five pupils.

Step 1: Introduce the characters first.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: A.

41. Which bird is the largest in the world?

Step 1: The comprehension passage explicitly identifies it.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: The ostrich.

42. What foods do birds eat, according to the passage?

Step 1: Copy the diet list; it describes different birds, not every bird eating every food.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: Nectar, fruits, plant seeds and small animals, including other birds.

43. What are birds kept at home called?

Step 1: The final paragraph gives this term.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: Domestic birds.

44. Which two products do hens and ducks give us?

Step 1: The final sentence names both products.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: Eggs and meat.

45. What weight can a fully grown ostrich reach in the passage?

Step 1: The passage states this upper weight, rather than claiming every ostrich weighs 156 kg.

Step 2: Use this rule or evidence to write the answer below.

Final Answer: Up to 156 kilograms.

Section Summary: Find evidence in the passage or poem before answering. Distinguish explicit statements, reasonable inferences and model interpretations.
